Mrs. Collins' Class

“Don't Stop Believing”

Journey

Just a small town girl, livin in a lonely world
She took the midnight train goin anywhere
Just a city boy, born and raised in south detroit
He took the midnight train goin anywhere

A singer in a smokey room
A smell of wine and cheap perfume
For a smile they can share the night
It goes on and on and on and on

Strangers waiting, up and down the boulevard
Their shadows searching in the night
Streetlight people, living just to find emotion
Hiding, somewhere in the night

Working hard to get my fill,
Everybody wants a thrill
Payin anything to roll the dice,
Just one more time
Some will win, some will lose
Some were born to sing the blues
Oh, the movie never ends
It goes on and on and on and on

(chorus)

Dont stop believin
Hold on to the feelin
Streetlight people

"I Believe I Can Fly"

By: R. Kelly

I used to think that I could not go on
And life was nothing but an awful song
But now I know the meaning of true love
I'm leaning on the everlasting arms

If I can see it, then I can do it
If I just believe it, there's nothing to it

[1]

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly

See I was on the verge of breaking down
Sometimes silence can seem so loud
There are miracles in life I must achieve
But first I know it starts inside of me, oh

If I can see it, then I can do it
If I just believe it, there's nothing to it

[Repeat 1]

Hey, cuz I believe in me, oh

If I can see it, then I can be it
If I just believe it, there's nothing to it

[Repeat 1]

Hey, if I just spread my wings
I can fly
I can fly
I can fly, hey
If I just spread my wings
I can fly
Fly-eye-eye

"Dream On"

Aerosmith

Everytime that I look in the mirror
All these lines on my face gettin clearer
The past is gone
It went by like dust to dawn
Isn't that the way
Everybody's got their dues in life to pay

I know what nobody knows
Where it comes and where it goes
I know it's everybody's sin
You got to lose to know how to win

Half my life is in books written pages
Live and learn from fools and from sages
You know it's true
All the things you do come back to you

Sing with me, sing for the years
Sing for the laughter, sing for the tears
Sing with me, if it's just for today
Maybe tomorrow the good lord will take you away
(x2)

Dream on, dream on
Dream yourself a dream come true
Dream on, dream on
Dream until your dream come true
Dream on, dream on, dream on...

Sing with me, sing for the years
Sing for the laughter and sing for the tears
Sing with me, if it's just for today
Maybe tomorrow the good lord will take you away

"Right Where it Belongs V. 2"

Nine Inch Nails

See the animal in his cage that you built
Are you sure what side you're on?
Better not look him too closely in the eye

Are you sure what side of the glass you are on?

See the safety of the life you have built
Everything where it belongs
Feel the hollowness inside of your heart
And it's all right where it belongs

What if everything around you
Isn't quite as it seems
What if all the world you think you know
Is an elaborate dream?

And if you look at your reflection
Is that all you want it to be?
What if you could look right through the cracks
Would you find yourself, find yourself afraid to see?

What if all the world's inside of your head
Just creations of your own?
Your devils and your gods all the living and the dead
And you're really all alone?

You can live in this illusion
You can choose to believe
You keep looking but you can't find the woods
While you're hiding in the trees

What if everything around you
Isn't quite as it seems
What if all the world you used to know
Is an elaborate dream?

And if you look at your reflection
Is that all you want to be?
What if you could look right through the cracks
Would you find yourself, find yourself afraid to see?

"Just a Dream"

Carrie Underwood

It was two weeks after the day she turned 18
All dressed in white, goin' to the church that night
She had his box of letters in the passenger seat
Six pins in her shoe, somethin' borrowed, somethin' blue

And when the church doors opened up wide
She put her veil down, tryin' to hide the tears
Oh, she just couldn't believe it

She heard the trumpets from the military band
And the flowers fell out of her hands

Baby, why'd you leave me? Why'd you have to go?
I was countin' on forever, now I'll never know
I can't even breathe

It's like I'm lookin' from a distance, standin' in the background
Everybody's sayin', he's not comin' home now
This can't be happenin' to me, this is just a dream

The preacher man said, "Let's bow our heads and pray
Lord, please lift his soul and heal this hurt"
Then the congregation all stood up and sang
The saddest song that she ever heard

And then they handed her a folded up flag
And she held on to all she had left of him
Oh, well, what could've been?
And then the guns rang one last shot
And it felt like a bullet in her heart

Baby, why'd you leave me? Why'd you have to go?
I was countin' on forever, now I'll never know
I can't even breathe

It's like I'm lookin' from a distance, standin' in the background
Everybody's sayin', he's not comin' home now
This can't be happenin' to me, this is just a dream

Ooh, baby, why'd you leave me? Why'd you have to go?
I was countin' on forever, now I'll never know
Oh, I'll never know

It's like I'm lookin' from a distance, standin' in the background
Everybody's sayin', he's not comin' home now
This can't be happenin' to me, this is just a dream

Oh, this is just a dream
It's just a dream, yeah, yeah

"Dreamlover"

Mariah Carey

I need a lover to give me
The kind of love
That would last always

I need somebody uplifting
To take me away

I want a lover who knows me
Who understands how I feel inside
Someone to comfort and hold me
Through the long lonely nights
Till the dawn
Why don't you take me away

Chorus
Dreamlover come rescue me
Take me up take me down
Take me anywhere you want to baby now
I need you so desperately
Won't you please come around
'Cause I wanna share forever with you baby

I don't want another pretender
To disillusion me one more time
Whispering words of forever
Playing with my mind

I need someone to hold on to
The kind of love that won't fly away
I just want someone to belong to
Everyday
Of my life
Always
So come and take me away

Chorus

Chorus

"Street of Dreams"

Guns 'N Roses

All the love in the world
Couldn't save you
All the innocence inside
You know I tried so hard to make you
Oh, to make you change your mind

And it hurts too much to see you
And how you left yourself behind

You know I wouldn't want to be you
Now there's a hell I can't describe

So now I wander through my days
And try to find my ways
To the feelings that I felt
I saved for you and no one else
And though as long as this road seems
I know it's called the street of dreams
But that's not stardust on my feet
It leaves a taste that's bittersweet
That's called the blues

I don't know just what I should do
Everywhere I go I see you
Though it's what you planned
This much is true
What I thought was beautiful
Don't live inside of you
Anymore

I don't know just what I should do
Everywhere I go I see you
Though it's what you planned
This much is true
What I thought was beautiful
Don't live inside of you
Anymore

What this means to me
Is more than I know you believe
What I thought of you now
Has I thought that was true before
Were lies I couldn't see
What I thought was beautiful is only memories

Oh oh oh
What'd I tell you
Oh oh oh
That's
Oh oh oh
Oh oh oh
Inside of you

"Before Tomorrow Comes" **Alter Bridge**

I couldn't sleep I had to listen
To a conscience knowing so well
That nothing comes from indifference

I look inside of myself

Will I find some kind of conviction?

Will I bid the hero farewell?

Will I be defined by things that could have been?

I guess time will only tell

I guess time will only tell

[Chorus:]

So don't let it be

Before tomorrow comes

Before you turn away

Take the hand in need

Before tomorrow comes

You could change everything

I curse my worth and every comfort

That blinded me for way too long

Damn it all I'll make a difference from now on

Cause I'm wide awake to it all

Cause I'm wide awake to it all

[Chorus]

Does anyone care it ain't right what we're doing?

Does anyone care it ain't right where we're going?

Does anyone dare justify how we're living?

Does anyone here care at all?

[Chorus]

We could be so much more than we are

We could be so much more than we are

We could be so much more than we are

Oh this much I know

“Rain”

Breaking Benjamin

Take a photograph,

It'll be the last,

Not a dollar or a crowd could ever keep me here,

I don't have a past

I just have a chance,

Not a family or honest plea remains to say,

Rain rain go away,

Come again another day,

All the world is waiting for the sun.

Is it you I want,
Or just the notion
Of a heart to wrap around so I can find my way around

Safe to say from here,
Your getting closer now,
We are never sad cause we are not allowed to be

Rain rain go away,
Come again another day,
All the world is waiting for the sun.

Rain rain go away,
Come again another day,
All the world is waiting for the sun.

To lie here under you,
Is all that I could ever do,
To lie here under you is all,
To lie here under you is all that i could ever do,
To lie here under you is all,

Rain rain go away,
Come again another day,
All the world is waiting for the sun.

Rain rain go away,
Come again another day,
All the world is waiting for the sun,
All the world is waiting for the sun,
All the world is waiting for the sun.

“The Time of My Life”

David Cook

I've been waiting for my dreams
To turn into something
I could believe in
And looking for that
Magic rainbow
On the horizon
I couldn't see it
Until I let go
Gave into love and watched all the bitterness burn
Now I'm coming alive
Body and soul

And feelin' my world start to turn

And I'll taste every moment
And live it out loud
I know this is the time,
This is the time
To be more than a name
Or a face in the crowd
I know this is the time
This is the time of my life
Time of my life

Holding onto things that vanished
Into the air
Left me in pieces
But now I'm rising from the ashes
Finding my wings
And all that I needed
Was there all along
Within my reach
As close as the beat of my heart

and I'll taste every moment
And live it out loud
I know this is the time,
This is the time to be
More than a name
Or a face in the crowd
I know this is the time
This is the time of my life
Time of my life

And I'm out on the edge of forever
Ready to run
I'm keeping my feet on the ground
Arms open wide
Face to the sun

I'll taste every moment
And live it out loud
I know this is the time,
This is the time to be
More than a name
Or a face in the crowd
I know this is the time
This is the time of my life
Time of my life
More than a name

Or a face in the crowd
This is the time
This is the time of my life.
This is the time of my life.

“Thriller”

Fall Out Boy

Yeah, what you critics said would never happen.
We dedicate this album to anybody, people said couldn't make it.
To the fans that held us down till everybody came around.
Welcome. It's here.

Last summer we took threes across the board
But by fall we were a cover story "now in stores"
Make us poster boys for your scene
But we are not making an acceptance speech
I found the safest place to keep all our old mistakes
Every dot com's refreshing for a journal update

So long live the car crash hearts
Cry on the couch all the poets come to life
Fix me in 45

So long live the car crash hearts
Cry on the couch all the poets come to life
Fix me in 45

I can take your problems away with a nod and a wave
Of my hand, 'cause that's just the kind of boy that I am
The only thing I haven't done yet is die
And it's me and my plus one at the afterlife
Crowds are won and lost and won again
But our hearts beat for the diehards

So long live the car crash hearts
Cry on the couch all the poets come to life
Fix me in 45

So long live the car crash hearts
Cry on the couch all the poets come to life
Fix me in 45

Long live the car crash hearts
(Long live the car crash hearts)
Long live the car crash hearts
(Long live the car crash hearts)

Long live the car crash hearts
Cry on the couch all the poets come to life
Fix me in 45

Hehe... Woo!

“Dead and Gone”

T.I. featuring Justin Timberlake

Ooooooo
I've been travelin
On this road to long
Just trying to find
My way back home
The old me
Is dead and gone
Dead and gone
Ooooooo
I've been travelin
On this road to long
Just trying to find
My way back home
The old me
Is dead and gone
Dead and gone

(T.I.)
Ever had one of dem days
U wish woulda stayd home
Run into a group of niggas
Getting they hate on
U walk by
They get wrong u reply
Then shit get blown
Way outta proportion
Way past discussion
Just u against them,
Pick one then rush em
Figure u get your hair?
That next
They don't wanna stop
There now they bussin
Now u gushin, ambulance
Rushin u to the hospital
With a bad concussion
Plus ya hit 4 times
Plus it hit ya

Spine paralyzed waist down
Now ya wheel chair bound
Nevermind that now
U lucky to be alive,
Just think it all started u
Fussin with 3 guys
Now ya pride in the way
But ya pride is the way u
Could fuck around
Get shot die anyday
Niggas die
Every day all over
Bull shit dope money dice
Game ordinary hood shit
Could this be
Cuz of hip hop music
Or did the ones
With the good sense
Not use it
Usually niggas
Don't kno what to do
When their back
Against the wall
So they just start shootin
For red or for blue
Or for blo I guess,
From Bankhead
Or from your projects
No more stress,
Now I'm straight,
Now I get it now I take
Time to think,
Before I make mistakes
Just for my familys sake
That part of me left yesterday
The heart of me is strong today
No regrets I'm blessed to say
The old me dead and gone away.

(Chorus)

(T.I.)

I aint never been scared,
I lived through tragedy
Situation coulda been dead
Lookin back at it
Most of that shit
Didn't even have to happen
But u don't think about it
When u out there trappin
In apartments hangin
Smokin and rappin
Niggas start shit didn't

Next thing ya kno we cappin
Get locked up
Then didn't even get mad
Now think about damn
What a life I had
Most of that shit
Look back just laugh
Some shit
Still look back just sad
Maybe my homboy
Till be around
Had I not
Hit the nigga
In the mouth that time
I won that fight, I lost that war
I can still see my nigga
Walkin out that door
Whoda thought I'd never see
Philant no more
Got enough dead homies
I don't want no more
Cost a nigga his job,
Cost me more
Ida took that ass-whoopin
Now for sure
Now think before I risk my life
Take them chances to get my stripe
A nigga put his hands on me alright
Otherwise stand there
Talk shit all night
Cuz I hit you, you sue me,
I shoot you, get locked up, who me?
No more stress, now I'm straight,
Now I get it now I take
Time to think
Before I make mistakes
Just for my familys sake
That part of me left yesterday
The heart of me is strong today
No regrets I'm blessed to say
The old me dead and gone away.

(Chorus)

(J.T.)

I turn my head to the east
I don't see nobody by my side
I turn my head to the west
Still nobody in sight
So I turn my head to the north,
Swallow that pill
That they call pride
The old me is dead and gone,

The new me will be alright
I turn my head to the east
I don't see nobody by my side
I turn my head to the west
Still nobody in sight
So I turn my head to the north,
Swallow that pill
That they call pride
The old me is dead and gone,
The new me will be alright

(Chorus)

“In My Dreams”

Josh Turner

Some men dream of crossing oceans
Some men dream one day to fly
Spend their whole lives out there floating on the water and the sky

Some men dream of building fortunes
Some men dream of having fame
Nothing else is more important then making money and a name

but, In my dreams, I see
A little sky blue house beside a small stream
A front porch, a screen door,
The sound of barefeet running and cartoons.
In my dreams, your dreams come true

I come find you in your garden
Pulling weeds between the rows
Trade a kiss for a glass of water
Sit and watch what love can grow

In my dreams, I see
A little sky blue house beside a small stream
A front porch, a screen door,
The sound of barefeet running and cartoons.
In my dreams, your dreams come true

In my dreams, your dreams
Are the only things that really matter to me
When you smile, i smile
What makes you happy makes me happy too
In my dreams, your dreams come true
In my dreams, your dreams come true

“Prom Queen”

Lil’ Wayne

I loved her fancy underwear
I sit behind her every year
waiting for the chance to get
to tell her I’m the one she should be with
she’s popular with all the guys
so innocent in my eye
I could see her in my life
she would’ve had the perfect sweet man
but
see she had other plans
I could not understand
her and her stupid friends
varsity’s biggest fans

never forget the day
she laughed and walked away
and I couldn’t stop her
I guess she had it all
she had it all figured out
but she left me with a broken heart
fucked around and turned me down
cuz she didn’t think I could play the part
but now the prom queen the prom queen
is crying sittin’ outside of my door
see you never know how
how everything could turn around

uhh
they loved her fancy underwear
every boyfriend every year
she tried to keep ‘em entertained
when they can hardly remember her name
she did everything she could just to
to make him love and treat her good
she found herself alone
askin’ herself where did she go wrong
she didn’t realize
she chased the type of guys
that don’t believe in ties
tryin’ to apologize

never forget the day
she laughed and walked away

and I couldn't stop her
I guess she had it all
she had it all figured out
but she left me with a broken heart
fucked around and turned me down
cuz she didn't think i could play the part
but now the prom queen the prom queen
is crying sittin outside of my door
see you never know how
how everything could turn around

get up!

she had it all figured out
but she left me with a broken heart
fucked around and turned me down
cuz she didn't think i could play the part
but now the prom queen the prom queen
is crying sittin outside of my door
see you never know how
how everything could turn around

“Crazy Dreams”

Carrie Underwood

Hello you long shots
You dark horse runners
Hairbrush singers, dashboard drummers
Hello you wild magnolias
Just waiting to bloom

There's a little bit of all that inside of me and you
Thank God even crazy dreams come true

I stood at the bottom of some walls I thought I couldn't climb
I felt like Cinderella at the ball just running out of time
So I know how it feels to be afraid
Thank God it's all gonna slip away
Hold on, hold on

Here's to you free souls, you firefly chasers
Tree climbers, porch swingers, air guitar players
Here's to you fearless dancers, shaking walls in your bedrooms

There's a lot of wonder left inside of me and you
Thank God even crazy dreams come true

Never let a bad day be enough
To go and talk you in to giving up
Sometimes everybody feels like you
Oh, feels like you, just like you
Yeah

I've met some go-getters
Some difference makers
Small town heroes, and big chance takers
I've met some young hearts with something to prove
Oh, yeah

Here's to you long shots
You dark horse runners
Hairbrush singers, and dashboard drummers
Here's to you wild magnolias
Just waiting to bloom

There's a little bit of all that inside of me and you
Thank God even crazy dreams come true
Thank God even crazy dreams come true
Yeah

“Famous”

Puddle of Mudd

Since it means so much to you...
Hollywood hills
pocketful of shells
Sunset dragging
I haven't even slept for days
Somethin's gotta give
might as well live it up
until fat lady sings

You want it
you got it
It's everything you dreamed of
I just wanna be famous
be so fucking jaded
Cause all the playboy bunnies take my money from me
Show up at the Oscars
Smoke out Dennis Hopper
The money is for nothing
and the chicks are for free
yeah I wanna be

You can sleep all day
and still get paid
when the sun goes down
we'll do it all over again
Cause when you're on a roll
they gotta let you go
right through the back door
let the games begin

You want it
you got it
It's everything you dreamed of
I just wanna be famous
be so fucking jaded
Cause everybody's taking my money from me
Show up at the Oscars
The money is for nothing
and the chicks are for free
yeah I wanna be

Well I hope that it's everything you dreamed about
Be careful what you wish for
